

# CARMEL ROAD™

MONTEREY

2016 Pinot Noir

Our winemaking team seeks to capture the vibrant, bright flavor profile of Monterey - where the triumvirate of fog, wind and sun forge distinctive wines with vivid complexity, superb acidity and a pronounced minerality that have become the hallmark of Carmel Road wines.

## REGION Monterey

Inland from Monterey's rugged coastline, yet still directly in the path of the ocean's relentless influences, Carmel Road's vineyards can be found nestled on the foothills of the Santa Lucia Mountains. No mountains hinder the flow of air from the Monterey Bay, allowing fog and chilly, moisture-laden winds to sweep over our vineyards daily, making this one of the coldest wine regions in California.

*"Our 2016 Monterey Pinot Noir has bright cherry aromas that are layered with notes of wild strawberries and black tea. On the mouth, you get juicy black cherry flavors and notes of cola with hints of vanilla, toasted oak and well balanced tannins. A silky texture leads to a long finish."*
