

CARMEL ROAD™

2018 California Cabernet Sauvignon

Our winemaking team seeks to capture the vibrant and rich flavor profile of California - where the triumvirate of fog, wind, and sun forge distinctive wines with vivid complexity, superb structure, and pronounced flavors.

REGION California

Sourced from carefully selected Cabernet Sauvignon vineyards spread across California's finest wine growing regions, the Carmel Road California Cabernet Sauvignon is an exceptional varietal expression with lush dark fruit notes, rich savory notes, and bold tannins.

“The 2018 Cabernet Sauvignon has aromas of blackberry and sweet oak that lead to a rich, yet structured palate with flavors of black cherry, blueberry, and notes of vanilla bean.”

-Kris Kato, Winemaker
